Business Opportunities

- ❖ **Farm-in:** SUDAPET welcomes business partners to invest in blocks; e.g. Block-25.
- ❖ **Natural Gas Projects:** to utilize associated and free discovered natural gas. We adopt several initiatives in natural Gas Utilization through value-adding studies for additional gas resources and potentiality in all blocks.
- ❖ **Other Opportunities:** Sudapet welcomes any business cooperation with its subsidiaries.

Looking Forward

- ❖ **Business Diversification:** We encourage business cooperation to diversify our business (e.g. EOR, by introducing new technology to build up dependable technology, and
- ❖ **Cooperation:** We extend a sincere invitation to international investors to join SUDAPET, and we believe that this is the right time for UK business companies.
- ❖ We are available for any further information.

Thank you!
