REGIONAL LEADERSHIP WORLD-CLASS STANDARDS

PRODUCTS AND SERVICES

METALS:

- **Cables and conductors**
- **Metal pipes.**
- **Oil pipes.**
- **Rebar steel and building iron**
- **Aluminium formation**

REGIONAL LEADERSHIP WORLD-CLASS STANDARDS

Agricultural Equipment and services

- Tractors
- Earthmoving equipment
- Agricultural machines.
- Irrigation equipment
- Harvesters
- crops spraying
- Storage facilities.

REGIONAL LEADERSHIP WORLD-CLASS STANDARDS

Furniture and Medical Equipment:

Giad produces high quality of:

- **Office and educational furniture**
- **Medical furniture and medical equipment,**
- **Household furniture.**

Electric and electronic industry

Giad manufactures

- **Household appliances such as refrigerators, washing machines, monitors, TV sets.**
- **Plastic industry**
- **Car batteries**
- **Industrial tools, equipment and instruments.**

AVIATION

- **Production and marketing of light aircraft for agricultural spraying and for pilot basic training.**
- **Maintenance, repair and overhaul of aircraft.**
- **Training and qualification in various fields of aviation.**
- **Programs and software for civil and military applications and systems .**
- **Air operation and logistic support services**

Mining Activities

Which include;

- Exploration, prospection and extraction of gold, iron and chrome,
